# HINGED DOORS

We create our hinged doors using the finest technology from our European partner factories. The wardrobes can be designed to work around less traditional spaces, sloping or angled ceilings, allowing you to make the most of your storage space. The majority of our hinged door wardrobes can be made up to a height of 2900mm. We offer a range of colours and materials to choose from and can design unique door stylings just for your project.

**Our incredible hinged  
wardrobes will become the  
talking point of any room**

WARDROBES BY EEROSPACE

**We can design any hinged wardrobe around your perfect lifestyle**

WARDROBES BY EEROSPACE

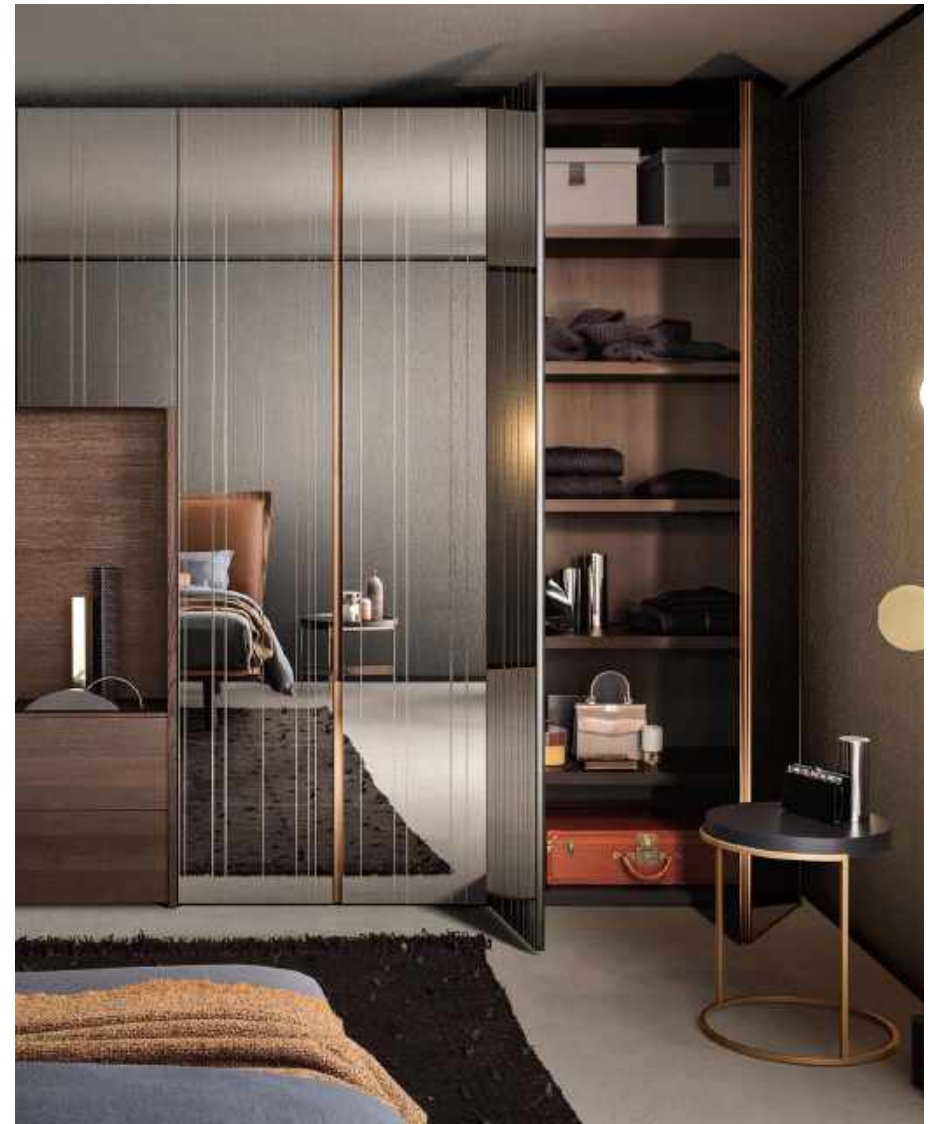

Open yourself to a world of possibility with our hinged wardrobe range

WARDROBES BY EEROSPACE

The quality and versatility of our sliding door wardrobes have led them to become our most popular wardrobe style. They are ideal where space is at a premium but storage needs to be maximised. They can be made to almost any size and fitted with a soft close mechanism. Our range of sliding door wardrobes come in an incredible array of colour choices and panelling.

# SLIDING DOORS

**Incredibly versatile  
sliding storage for a  
contemporary look**

**We understand the  
importance of seamless  
craftsmanship**

WARDROBES BY EEROSPACE

Beautifully designed with every detail considered, a walk-in wardrobe will maximise excess bedroom space and reduce clutter. An Eerospace walk-in wardrobe can be completely bespoke or created from modules in our collection. We work with you to include visually stunning lighting effects and bespoke features that add to the enjoyment of a walk-in wardrobe.

# DRESSING ROOMS

Indulge yourself with  
a bespoke designed  
dressing room

Let yourself unwind in style  
in an Eerospace designed  
dressing room

WARDROBES BY EEROSPACE

Your ideas don't have to end with a wardrobe, we have a full collection of accompanying furniture to meet all of your requirements. We can tailor island units to fit anything from sweaters to handbags. Our contemporary furniture designs are created using a combination of materials including veneer, glass and mirror so whether you want a bedside table, a chest of drawers or dressing table, we have complimentary furniture to match your style.

# ADD ON FURNITURE
